

High Lifter Outlaw DHT Axle Warranty Program

Thank you for purchasing a High Lifter Products Outlaw DHT Axle. Our axles have been engineered to provide superior performance for use on your ATV/UTV.

LIMITED WARRANTY:

HIGH LIFTER PRODUCTS, INC. warrants to the **ORIGINAL** purchaser of any axle for one (1) year of protection from the date of purchase against defects in materials or workmanship or failures in normal services, subject to the following conditions:

- a) The product is properly installed with or without a lift kit.
- b) If a lift kit requires or suggests the need for extended-length axles, those axles must meet requirements.
- c) **HIGH LIFTER** is not liable for any incidental or consequential damages to anything other than the axle covered by this warranty, including labor costs to remove/reinstall, loss of use of machine, damage to housings, or damage to OEM supplied parts.
- d) If the axle has been disassembled or modified by a third party, or has OEM parts installed on the axle, the warranty is null and void.
- e) Any axle damaged in a collision is excluded from this warranty. However, they may be refurbished for standard costs pending authorization by the owner.
- f) Warranty is non-transferable from the **ORIGINAL** purchaser.
- g) **HIGH LIFTER** reserves the right to inspect the axle and determine any defects in installation to determine the validity of a warranty's claim. This may include the **ORIGINAL** purchaser providing photographs of the ATV/UTV and its installed lift kit.
- h) Boots damaged by CV joint failures are covered under this warranty. Boots damaged by punctures or tears from trail obstructions are not covered under this warranty. Boot inspection should be a part of regular ATV/UTV maintenance.

All returns for warranty must be pre-approved by calling 1.800.699.0947. After warranty approval has been granted and a Return Approval (RA) number issued, the axle must be received by HIGH LIFTER PRODUCTS within 15 calendar days. The RA number must be clearly displayed on the return box or the return will be refused. Otherwise, the return will be refused. An RA number does not imply a replacement or refund on any product, but only that we will inspect the axle for warranty claims. For orders outside the United States, any fees associated with customs or duties are non-refundable. All claims must be accompanied by the sales receipt detailing date and place of purchase, a written explanation of the problem, a phone number, and e-mail address.
