## Moments Majestique

Kevin Kaisershot

**THE WORK:** Moments Majestique is a versatile duet that works well for any occasion. It has a “royal” or “regal” air about it, and is adaptable to almost any instrumental combination or cross-over. It is designed for the intermediate level performer, but can be played by almost any level performer as ranges are small and rhythms reasonably simple.

**PERFORMANCE TIPS:** Performers should work to allow the trills to flow. Do not force, but rather allow the air to move freely in combination with the fingers. Ornamentation is something of a lost art, but when studied, should be done with a great deal of focus on its actual applications. Performers should know how each part fits and when to play the supportive role versus the lead. Dynamics are written and designed to help show where these occasions occur.

*This work is part of a growing series of original pieces by this talented composer. Many of these titles are already found on contest lists throughout the country.*

These like-instrument ensemble works are designed to be performed by junior high and high school level musicians. They are ideal for use in festivals and competitions as well as in concerts, church services and other special events. All pieces are melodically and rhythmically creative with all parts being interesting and suitable in difficulty (Easy-Medium, Medium).

Besides their use as like-instrument pieces, they are all interchangeable and will work with any combination of the brass or woodwind instruments (flute, clarinet, saxophone, horn, trumpet, trombone and tuba). This means that any non-standard combinations of instruments will have access to these terrific works.

*Other titles in this series:*

Elegy, Scherzo Diabolique, Novelette, Danse a la Gigue, Modern Day Madrigal, Rondeau Gracieuse, Moments Majestique and Musical Tag.
